

Website Report March 2010

- Thank you to members who have been sending me news and photos.
- The entry form for the Spring Show is now up on the website.
- Check out our new "Video" section. Thanks to Diane Williams for the great videos of workshops, etc. Also in that section, video of the National Juried Show at TOSH.
- We are not renewing our original group website (MyArtClub) for 2010. This applies to the Group Site only, and will NOT affect any artists who have individual sites with MyArtClub.
- New members, please contact me if you wish to have your information included in our member listings. Instructions on how to go about this can be found on the member page of our website, or you can call me for assistance.
